Computer Plinth

750mm (w)

600mm (d)

970mm (h)

90mm approx free space from top of shelf surface

580mm

500mm

430mm
350mm

Internal base size

1) Take the tambour wrap (A) and wrap half way around the base (B), taking care to align the hook fastener strips securely together - figure 1

2) Take the keyboard shelf (C) and slot into the top of the wrap then take the wrap around the rest of the base and keyboard shelf so that it joins at the back (figure 2)

3) Take the mini tambour wrap (D) and start to wrap around the top of the keyboard shelf (figure 3)

4) Slot the top shelf (E) into the mini tambour and then continue to wrap around both shelves, aligning hook fastener strips securely (figure 4 and 5)

## features & benefits

- Flat pack furniture constructed from composite materials and flexible MDF tambour
- Includes slide out keyboard shelf and cable management
- Strong and durable
- Quick and easy to assemble
- No tools required
- Load bearing upto 75kgs approx
