

# Ecoflex 2 HPL

All the features of Ecoflex 2 but with a chalkboard panel

## Panel

3mm HPL – ideal for vinyl application

Suitable for soft chalk and liquid chalk pens

## Base

Low profile – minimal obstruction to pedestrians

Rugged recycled (and recyclable) PVC

**NEW!**

## Unique patented design

- Quick and easy to assemble
- No tools required!
- Incredibly secure – wedge simply slots through panel and locks into place

In stock

No tools assembly

1 minute to assemble

Recyclable  
Recycled PVC base
