

10 Panel Jumbo Panel & Pole Display Stand

How to Assemble your Jumbo Panel & Pole Display Stand

- Attach 6 clips per panel.
- To prevent clip clash ensure that the clips are staggered.
- Jumbo Display Stands are a 2 person assembly.
- When assembling your display stand ensure that the panels are assembled and angled in a stable design.
- Poles slot easily in and out of the clips.
- Pole caps are provided with all poles and are used as a finishing touch at the top of the pole.
