# Assembly Instructions

## Crescent assembly

Kit includes: Top, base and MDF tambour wrap (Optional internal shelf and poles shown)

Lay the base on the floor, hook fastener side uppermost. Attach the tambour wrap to the base.

Continue to attach the wrap. At this stage you may decide to have the unit open or closed at the back.

Place the top onto the wrap and secure using the hook fastener.

Completed Crescent workstation.

## Optional Internal shelf assembly

Locate the twist and lock poles into the internal shelf. Ensure the arrows on the poles are all facing the same direction.

Locate the poles/shelf into fittings underneath the Crescent top. Rotate each pole in the arrow direction to lock the shelf in place.

Completed Internal shelf.
