

Curvey

## features & benefits

- Flat pack furniture constructed from composite materials and flexible MDF tambour
- Easy to transport and quick to assemble
- No tools required
- Internal storage area
- Load bearing up to 75kgs approx
- Units have a full wrap around their perimeter
- Optional Accessories include:  
Cut-out aperture, Cable management port, Extra internal shelving and 50w LV light (including Jack Socket & transformer)

Kit includes: Top, base, and tambour wrap

Place the base on the floor with the ridging uppermost. Attach the tambour wrap to the base.

Make sure that the hook fastener on both the tambour and base fit securely together.

Place the top onto the tambour wrap and secure using hook fastener. It may be necessary to open some of the wrap to fit the top onto the hook fastener

Complete the unit by fitting the remaining tambour wrap.
