- Please note this template is based on our fabric characteristics and may need adjustment to suit your media.

The diagram shows a vertical rectangular shape with rounded corners, representing a document or page. It is divided into two horizontal sections. The top section is white and contains the word "Front" in a large, light gray font. This section is enclosed within a thin blue rectangular border. The bottom section is a solid light gray color and contains the text "NON-VISIBLE AREA" in a smaller, black, all-caps font. A horizontal dashed red line separates the two sections, positioned just above the gray area.
