

Eyeline® Floor portable projection screens

This practical floor screen has been designed for maximum portability. Three sizes in each format are available to suit your projection needs.

All products carry a minimum 12 month guarantee.

Projection format

Available in all popular projection formats Square 1:1, Video 4:3 and Widescreen 16:9

Material & borders

Durable matte white projection material is washable. Black borders and base around the projection area.

Operation

Fast and easy to setup - simply rotate the stabilising feet, fix pole support to the case and raise the screen into position. Pole support offers height adjustment and is supplied with integral keystone eliminator.

Portability

Screen case features an integral carry handle for ease of mobility and storage. Pole support attaches to screen case when not in use.
