Kit Includes: Mini Quick frame, mag bars, hangers and kickers, frame and mag bar bag and Padded bag

1 Here is the Quick mini tabletop packed up

2 Pull out the panel wrap from the outer case

3 Open the wrap using the hook and loop

4 Unroll the bag until the full unwrapped

6 Tear off the bag that is attached to the end of the wrap

7 Pull out the optional lights from the side pocket of the bag

8 Pull out the mag bars from the other side pocket

9 Pull out the Quick mini unit

10 Lay the Quick mini on its side and pull the top bar up

11 Open it up all the way until the arms lock into place

12 Put the mag bars on the frame. Cover the front, and the two back corners

13 Hang the panels using the hooks on top of the unit

14 Attach the main panels
